## Coastal Clean-Up

By Ariele Silvas

On September 20th, I went to Coastal Clean-Up at Don Edwards. Once my mom and I got our gloves and bags, we headed towards the beach, where the 4-H club was told to clean. I, with Christine Laricsh, picked up a LOT of trash, with finding some bizarre stuff. We found a cup stuck in a gopher hole ( luckily, we got it out!), a piece of cactus, a crab's claw, and Christine even found a pair of underwear!! My greatest find was a large spider that I had never seen before and I was thrilled; it may not have been trash, but it was still an unusual sight. When you go to Coastal Clean-Up, you never know what you are going to find. After an hour and half of cleaning, we decided we were just about done. So we threw away our bags of trash and left the marshlands with a feeling of content that we had done something to help the community and nature.

## Skate Night-Wear Your Costume!

Meet or reconnect with members from around the county at the annual Alameda County 4H Skate Night Monday night, October 27th from 6:30-9pm at Golden Skate in San Ramon. Leaders' Council is funding a large portion of the cost and skates only pay \$4 each including skate rental. Prizes will be awarded for various categories of costumes. Put it on your calendar now!

## County Jr. Leadership Project:

By Kayla Colglazier

The County Jr. Leadership project was on September 24 in Livermore. There were 12 kids who showed up. Four from our club. Jr Leadership is for members in 6th and 7th grade. It's very fun, we learned about working with groups, how to make it fun and learn at the same time. Some of us won prizes. We worked together to come up with the theme for skit night. I wanted something to do with animals. The next meeting will be on Nov. 18th. Hope you can make it.

## Newark Days

By Ariele Silvas

On September 21st, Bayside 4-H had a booth at the Newark Days carnival. I went to help out at 12:30. We had several projects on our 4-H booth, including our animal-based projects. During the two and a half hours that we were out there, we handed out flyers around the park, talked about 4-H, and showed our animals to all of the spectators. Many people were thrilled to see all of our animals. We even got a few people to sign member forms.

There were also a lot of other booths that had interesting things. My favorite booth ( besides the 4-H booth, of course!!) was about spiders and their habitat. I was even able to find out the species of spider that I had found at Coastal Clean-Up. It was called a Orb Weaver.

During the rest of the time, I mostly stayed at the booth and talked about 4-H while holding Kayla Colglazier's rooster. The people liked him and petted him a lot. And through it all, the rooster stayed quiet and calm.... although I did have to take off my bracelet because he thought that the beads were bugs!! Once it was 3:15, we started to pack up our booth. Newark Days is one of my favorite events in our club and I highly encourage lots of people to join in next year!!

## 4-H Stories

The State 4-H Office is looking for **innovative and impactful 4-H stories**. Stories feature 4-H groups, projects or activities on the State 4-H Homepage ([www.ca4h.org](http://www.ca4h.org)). The State 4-H Office will even write the story for you! If you have a story, please contact Emily Lane at [erlane@ucdavis.edu](mailto:erlane@ucdavis.edu). Current stories may be found at <http://www.ca4h.org/4HDelivers.asp>

## Citizenship...A County Project

This year the County Citizenship Project will be pared down to 4 meetings during the year. The first meeting will be at the arm Bureau on October 21st at 7pm. This fast-paced project will cover the 5 Pillars of Citizenship (do YOU know what they are?), the Sectional Citizenship Day or weekend in the spring and the State Citizenship Conference, CAL Focus. Citizenship is offered to all 4H members 7th grade and above.

## Committee Reports:

Reports were given on:

Alameda County Fair; Ariel Silvas, Kayla Colglazier, Harley Pratt, and Celia Ontiveros talked about the fair.

Ashley Steele talked about the State Fair

Ariel Silvas, Emily Nikzat, and Celia Ontiveros talked about Camp.

Ariel Silvas talked about the Cake Booth.

**Birthdays:** Month of: August and September. We had 3 members come up for Birthdays.

## New Business:

Mrs. Ontiveros discussed Newark Days and Coastal Clean-up.

**Registration Fees:** It was suggested that those members selling a minimum number of ducks (10) be acknowledged by having the next years club dues covered by club funds. This is a small way for the club to give back to those members who actively support it. The current method for a member to raise funds to help pay for 4-H camp will remain unchanged.

Ashley asked is there a motion on the floor.

**Motion:** Tony Zhao moved that registration fees be paid for by the club for those members who sell at least 10 Ducks4Bucks each year. Motion 2<sup>nd</sup> by Ariel Silvas. **Motion approved.**

**Motion:** Natile Yragui moved that we make this retroactive from last year's fundraising: Motion 2<sup>nd</sup> Kayla Colglazier.

**Motion approved**

**Leader's Report:** Julie talked about record books, announced awards, and briefly talked about project sign-ups.

**Program:** All project leaders talked about their projects briefly. After that the meeting was adjourned for project sign ups.

**Adjournment:** The Bayside 4-H meeting was motioned by Ashley Steele to be adjourned at 8:48 P.M.
